KAKGELO

Agatha Sejoe

"Lefatshe jaaka le aparetswe ke kwelo tlase ya itsholelo, maikutlo a batho a hiduegile, mme malapa a lebagangwe ke dikgwetlo tse di boima tsa letlhoko la madi. Le fa go ntse jalo, gatwe tsholofelo ga e tlhabise dithlhog."

Fa go na le selo se le sengwe se sika loo motho le ka ipelang ka sone ke mpho ya tlhaloganyo e modimo a e re fileng. Fa motho a ipoleletse gore ga gona botlhoko bope jo bo ka kgoreletsang boitumelo jwa gagwe mo botshelong, e le ruri go tlaa nna fela jalo. Ka mafoko a mangwe, tsela e botshelo jwa motho bo e tsayang, e laolwa ke ka fa a dirisang tlhaloganyo ya gagwe ka teng.

Fa o tsaya sekai ka bagaka ba lefatshe jaaka bakwadi le balwela kgololesego bo Mme Maya Angelou, Rre Nelson Mandela, Rre Mahatma Ghandi le ene mogaka wa mo bosheng tota Rre Barrack Obama, bothle le ba ba tshwanang le bone ba itse mosola wa go dirisa maatla a tlhaloganyo go latela se ba se batlang. Se ke sone se se ba thusitseng go bona katlego mo gareng ga dikgwetlo tse di boima. Mme jaaka fa e le batho fela jaaka rona, ga go pale gore le rona re

ithute mo go bone bothhale jwa go Iwantsha mathata a re leng mo go one gompieno.

Kwa ntle ga go ipotsa ka seemo sa itsholelo ya gago le dipeeletso tse o nang le tsone jaaka phenshene ya gago, o tshwanetse wa tshwenyega le ka boitekanelo jwa gago jwa mmele le jwa tlhaloganyo. Ga se sephiri gore go nna o tshwenyegile ka madi go kgona go go koafatsa mo mmeleng le mo tlhaloganyong. Ke gone ka moo re boneng go tshwanela gore mo lekwalong la gompieno la BOKAMOSO, re go fe methhale ya gore o ka itlhokomela jang go tila dingalo tse di amanang le letlhoko la madi. Mo godimo ga moo re go bontsha le ditsela tse o ka di tsayang gore o dirise madi a gago ka boikarabelo. Re solo fela fa di tlaa go sologela mosola

Re kwalele o re bolelele maikutlo a gago ka seemo se lefatshe le leng mo go sone se.

LABOTLHANO O O IKETLILENG: Dineo, Madoh le Barulaganye ba kgabile ka kapari ya setswana (mateisi)

Lolwapa la DPF le na le ngwana o mosha

Mo dinakong tse di tshwanang le tse re leng mo go tsone tsa mathata, go a itumedisa go amogela dikgang tse di monate. Ka jalo erile fa mmereki ka rona Tshego Seilane a re begela gore o segofaditswe ka ngwana wa mosimane ka kgwedi ya ferikgong e tlholo malatsi a le masome a le mabedi, go ne go tletse boitumelo jo bo seng kana ka sepe mo dikagong tsa letlolo.

Go ya ka fa mmagwe a mo tlhalosang ka teng, Aatile Leruo Seilane ke lesea le le tletseng lethabo (fela jaaka mmagwe), o mathlagathaga ebile a na le monyenyo o montle. Tshego a re; "Ngwanake o tshotswe ka letsatsi le le botlhokwa mo ditsong. Ke letsatsi le go neng go bewa tautona wa Amerika wa motho-montsho wa ntlha Rre Barrack Obama. Ke itumelela gore letsatsi le ke tlaa le gopola ka ngwanake, e bile ke rapela gore se se mo rotloetse fa a ntse a gola gore le ene a atlege jaaka Rre Obama. Se segolo go di feta tsotlhe ke gore o nkokeleditse boitumelo mo botshelong jwa me. Ke ikutlwa ke segofetse e le ruri"

GO TILA LETSAPA LA MOYA LE MMELE LE BAKWANG KE LETLHOKO LA MADI

Go latlhegelwa ke tiro, e ka tswa e le ka mofuta ofe fela, ke selo se se botlhoko, mme ebile go ka dira gore motho a nne a tshwenyegile mo maikutlong, kwa bofelong a feletse a koafala mo mmeleng le mo tlhaloganyong. Go na le ditsela di le mmalwa tsa go itlhokomela mo moyeng le mo mmeleng go tlhomamisa gore maikutlo a gago a nne a wetse tlase le tlhaloganyo ya gago e bulegile mo gareng ga mathata.

Go sa kgathalesege gore a o ikaeleta go tlogela tiro kgotsa nya, o tshwanetse go nna le tebelopele ka botshelo jwa gago gore o tle o kgone go tila dingalo tse di tlang le letlhoko la madi. Leka maano a a latelang;

Fetola tsela e o akanyang ka yone

Gore lefatshe le go itaa ka bokete jo bo kae, go tlaa laolwa ke tsela e o amogelang mathata a lefatshe ka yone; Fa o amogela mathata ka boitlhobogo, ka letshogo ebile o sena maano a go iphemela mo mathateng a a go apereng, seemo sa gago ga se kake sa tokafala. Se se bothokwa ke go gakologelwa ka nako tsotlhe gore setsuatsue se foka se feta, ga se nnele ruri. O tshwanetse go nna o na le tsholofelo.

Tsaya dikgakololo tse di latelang:

O sekwa ware ka nako epe fela wa akanya gore go latlhegelwa ke tiro ga gago, kgotsa go tlhoka madi go supa fa o paletswe ke botshelo. Ikgakolole gore ga se wena o le nosi fela yo o wetsweng ke seru se. Dirisa seemo se gore o itshupe bonatla jwa gago ka go leka maano otlhe go intsha mo mathateng. Boitlhobogo ke jone bokoa, eseng se se go diragaletseng.

Fa e le gore o tshogile gore seemo se se tlaa thuba lelwapa la gago, Nna o gakologelwa gore se kgona go le tshwaraganya gape. Tshwetso ya gore a lelwapa le a thubega kgotsa nnyaa, e mo maruding a lona. Tlhophang tshwaragano, le go Iwantsha seemo se ka maano a lo a dumalaneng ebile le a diragatsa mmogo.

Fa o tshogile ka bokamoso jwa gago le ba lolwapa la gago, gakologelwa gore phetogo nngwe le nngwe mo botshelong jwa gago e tla le ditshono tse disha tsa go itokafatsa. Fa o na le tebelopele, ebile o ikemisedit go atlega mo botshelong, o tlaa atlega fa o leka ka natla.

Botlhokwa ke go amogela seemo o bo o loga maano a go intsha mo go sone. O sekwa nnela ruri mo kutlobotlhokong le tenego o supa yole le yole ka monwana. Seo ga se kake sa go thusa ka sepe ka gore fa o santse o dira jalo, nako e a go sia.

Nna le lenaneo la go intsha mo mathateng a o leng mo go one

Go tlhoka madi kgotsa go latlhegelwa ke itsholelo, go ka go ruta go dirisa madi ka kelothoko fa e le gore o ne o ntse o sa itlwaetsa go dira jalo. Ka jalo go botlhokwa go dira lenaneo la tiriso ya madi a gago pele ga nako. Fa o baakanyetsa madi a gago o ise o a bone, o tlaa kgona go tila go a dirisa mo dilong tse o sa di tlhokeng mme o a dirise mo go tse di botlhokwa ka gore o a bo o nnile fa fatshe wa akanya pele gore dilo tse o di tlhokang go gaisa tsotlhe mo botshelong jwa gago ke eng.

Go nna le lenaneo la tiriso ya madi gape go ka go thusa go tila letshogo le le go tlelang fa o sena go lemoga gore ga o a dirisa madi ka fa tshwanelong, le dingalo tsa go salwa morago ke ba o ba kolotang o bo o felele o latlhegelwa ke dilo tse di botlhokwa jaaka ntlo, koloi le tse dingwe jalo jalo.

Fa o dira lenaneo la gago la madi, buisana le ba ba itseng ka tsa tiriso ya madi ba go gakolole fa o ka tswang o lebetse sengwe teng. O se ka wa ikanya tlhaloganyo ya gago fela. Go na le batho ba ba ithutetseng maranyane a madi ba ba ka kgonang go go thusa gore madi a gago a gole.

Ga go molato go kopa thuso fa o sitega

Fa o bona o sa kgone, mo maikutlong le ka tsela epe fela gape, tlhomamisa gore o kope thuso o ise o felelwe ke tshepo mo botshelong. Gantsi batho ba na le go tlhabiba ke ditlhong ba tshaba matlho a batho fa itsholelo ya bone e ya kwa tlase, mme seo se felela se dira gore mathata a bone a golele pele go fetisa selekano. Ga go molato go kopa thuso, seo se supa bopelokgale. O ka leka metlhale e e latelang:

Ba losika le ditsala

Ba ba go ratang jaaka masika le ditsala, ga se gantsi ba ka eletsa go go bona o sa tshele sentle. Bua le mongwe wa bone yo o mo tshepang a go thusa ka maano a gore o ka ithusa jang kgotsa wa thusiwa ke mang.

Baitseanape ba tsa madi

Barutegi ba tsa madi, ba ka kgona go leba seemo sa itsholelo ya gago mme ba kgone go go tlela ka mananeo a a go thusang go intsha mo sedibeng se o wetseng mo go sone ka go go bolelela gore o dirise bonnyennyane jo o nang le jone jang. Maikutlo a gago a tlaa tokafala fa o lemoga gore go na le tsela e o ka itshtsang ka yone.

Ba botsogo

O sekwa wa wa tsaya boitekanelo jwa tlhaloganyo ya gago motlhofo. Go nna o tshwenyegile mo moweng go diphatsa ka go ka go dirisa diphoso bogolo jang fa o itlhobogile, mme ebole go ka go tlisetsa le jone bolwetse tota jaaka malwetse a pelo, sukiri, go fetoga ga bokete jwa mmele, le madi a matona (High Blood Pressure) le tse dingwe fela jalo. Ikopanye le ba bongaka fa o bona o nna o hutsafetse kgotsa o latlhegetswe ke kgatlhego mo dilong tse o tlholang o itumelela go di dira.

Itshidile mmele

Ba bongaka ba tlaa go bolelela gore itshidilo e thusa mmele go lwantsa dingalo mo moeng le mo tlhaloganyong. Motho yo o nnang a itekanetse mo mmeleng ga a latlhegelwe ke tshepo ka pele ebole tlhaloganyo ya gagwe e nna e thantse.

Ka fa mmele o ntseng ka teng, fa motho a tshoga, mmele le one o leka go iphemela ka ditsela tse di farologanyeng bogolo jang fa pelo e iteela ka bonako. Tlhaloganyo e raya ditshika e re di itsetsepele, madi le one a tsamaele ka bonako mo ditshikeng. Se se raya gore fa maikutlo a gago a ka tsaya lebaka a tsholetsegile, mmele le one o nna o ikatisitse o le mo seemong sa letshogo se se sa tlwaelesegang, mme o felele o tlelwa ke mangwe a malwetse a re setseng re a umakile.

Fa o itlwaetsa go itshidila mmele, se se ruta mmele gore o sekwa wa laolwa ke maikutlo a gago, mme o nne o le mo boitekanelong le fa o na le matshwenyego mo pelong. Tlhaloganyo ya gago e bereka botoka, maikutlo a kokobele.

Tsaya kgato.

DINTLHA

TSEL A PEDI O TSAYA EFE?

Dirisa madi a o lebogisiwang tiro ka one ka kelotlhoko

Jaaka kwelo tlase ya itsholelo e farafere lefatshe jaana, dikompone di tshwaragane le namane e tona ya go fokotsa dikoloto gore di seka tsa wela ka lemene. Nngwe ya maano a go dira jalo ke go kgaola batho mo ditirong ka go ba atswa ka lemmyana la "tsamaya sentle".

Gore madi a gago a o a tsayang fa o tswa mo tirong atle a go berekele sentle, o tshwanetse go ikakanya sentle ka kelotlhoko gore botshelo jwa gago o batla bo tsaya tsela efe. Fa o setse o a tsere madi a, tlhomamisa gore o a dirisa ka fa o neng o rulagantse ka teng. Lenaneo le o tlaa le dirang ka madi a gago a le nne le le tlaa go sologelang mosola. Go na le dikgato tse o ka di tsayang go somarela madi a gago. Dingwe tsa tsone ke tse di latelang.

1. Sekaseka bokete jo o bo bolokileng le gore bo tlaa go fitlhisa kae

Batlisia gore fa tiro ya gago e ka fela ka tshoganetso, madi a a leng teng a ka go tshedisa go fitlhelela leng. Fa e le gore o bona a sa lekana mme o santse o theogetse, simolola go boloka go feta fa o ntseng o dira teng nakonyana e santse e le teng. Se se raya gore o fokotsa go tswa o ya go ja mo mabenkeleng le ditsela tse dingwe tse o tlwaetseng go ijesa monate ka tsone tse di turang. Bula letlole la madi la tshoganetso mme madi otlh a o a fokoditseng a o a tsenye mo teng.

2. Go feleletsa sekoloto ke selo se se botlhale le fa o ka tswa o se mo mathateng.

Feleletsa go duela dikoloto o bo o latlhe dikarata tse di swaepang ka sekoloto (credit cards). Feleletsa dikoloi le matlo. Fa o dirile jalo, ga o kake wa tsenwa ke dingalo thata le fa tiro e fedile. Fa e le sengwe o ka bolawa ke tlala fela mme sa botlhokwa ke gore o tlaabo o na le fa o robalang teng!

FA E LE GORE O TSHOGILE GORE TIRO E TLAA FELA, O SEKA WA BA WA TSAYA SEKOLOTO SE SESHA! - LE FA SE KA TSWA SE LE SENNYE JANG!

3. Dirisa madi mo dilong tse di botlhokwa fela.

- i. Kwala dilo tse o di tlhokang o di tlhomaganye ka botlhokwa jwa tsone.
- ii. Duela tse di botlhokwa-tlhokwa pele, jaaka madi a sekolo a bana, ntlo jalo jalo.
- iii. Kgaola tsa menate gotlhelele, le fa o ka tswa o saletswe ke a mangwe fa thoko, a beeble kamoso, ga o itse ko o go yang.
- iv. Le tsone dilo tse di botlhokwa jaaka dijо, metsi le metlakase jalo jalo, di tshwanetse go somarelwa. Buisana le ba lelwapa la gago ka methale e le ka e dirisang go di somarela.
- v. **SA BOTLHOKWA-TLHOKWA:** Fa o tsweletse o ntse o imelwa o sa kgone go duela dikoloto sentle, ikopanye le ba o kolotileng mo go bone jaaka dibanka o buisane le bone ka mananeo a ba ka go thusang ka one go

isa dituelo kwa tlase. O SEKA WA BA TLHOKOMOLOGA.

4. Jaanong o ya kae fa tiro e fedile?

Batho ba farologana ka dikeletso mo botshelong. Ka jalo go tlaa laola gore motho o fa kae mo botshelong, fela go bothokwa go tsaya tshwetso e e lebanyeng. Dingwe tsa dilo tse o ka di dirang ke tse di latelang;

a). O ka simolola go ja phenshene

Mongwe le mogwe yo o setseng a le mo dingwageng tsa bogodi o tlaa kgatlhegela tshwetso e ka gore gantsi fa motho a gorogile fa, o a bo a setse a itiretse gole mokawana. Gape ga go mothlo go bona tiro e ncha fa o setse o le mo dingwageng tse. Ba ba sa bolong go bereka ba boloka madi a phenshene ka lebaka ga ba na go nna le letsapa lele ba fisang pelong, ba tlaa ikwadisetsa phenshene ka phuthologo. Fa o ka tsaya tshwetso e, gakologelwa jaana:

Kwelo tlase ya itsholelo lefatshe ka bophara, e dirile gore madi a diphenhene a ye kwa tlase ka boleng. Kgakololo ya rona ke gore fa e le gore madi a "tsamaya sentle" (separation package) a ka nama a go tshedisa sebakanyana, go botoka o ema sebaka se se sa fediseng pelo pele ga o simolola phenshene gore dipoeleo tsa mebaraka di boe di tokafale pele, o tle o boelwe ke madi a a go latlhegetseng. Mme le gale fa o tlamega go tsena mo phensheneng o tlaa thusega.

b). Bula kgwebo o ipereke

Fa o se lesego jaaka ba ba mo dingwageng tsa bogodi, o ka leka kgwebo, mme ebile se se tlaa go fa maatla a go bereka ka thata go ipaakanyetsa bokamoso o sa baya mo go ope. Dira dipatlisiso o botse baitseanape ba tsa kgwebo jaaka makgotla a ga goromente a a rotloetsang kgwebo bo CEDA le LEA. O seka wa inyatsa, e sere gongwe wa tloga wa latlhegelwe ke tshono ya go ikhumisa!

c). Ipaakanyetse tiro e e lateng

i). Tsena mo letsomong la tiro: Baakanya ditlankana tsa gago o nne o ipaakantse gore fa phatlha e bulegang teng o itshome. Jaaka dikompone di kgaola babereki ka bontsi jaana, nonyane ya motsogapele...'

ii). Boela sekolong: Fa e le gore o ntse o boloka madi a gago sentle, mme ebile le a "tsamaya sentle" a utlwala, gongwe o ka ya go ikoketsa dithuto tsa sekolo mo nakong e ditiro di santse di sa bonale gore e tle ere marara a itsholelo ya lefatshe a phatlalala, o kgone go bona tiro e e gaisang e e go latlhegetseng!

MAETO A 2008 – A sefatlhego sa gago se teng mo meriting e? O lesego!

Re leletse mo 3614301 kgotsa 3614366 re go leboge ka mphonyana! Re lebogela matsapa a o a tsereng go nna teng mo maetong a rona le theetso ya gago e e botlhokwa!

Dipotso tsa gago le dikarabo ●●●

1. A nka simolola phenshene lefa mabaka a ke tswang mo tirong ka one e se a bogodi?

Ee, go a kgonagala. Gore o simolola phenshene leng go laolwa fela ke dingwaga tsa gago. Fa o le mo dingwageng tsa bogodi o ka simolola phenshene go sa kgathalesege gore a o a bereka kgotsa nnyaa. Fa o tlogela tiro, tlhomamisa gore o supe mo difomong tsa phenshene gore o eletsa go simolola go e amogela.

2. Fa nka simolola phenshene, go diragala eng fa nka bona tiro e nngwe morago ga foo?

Ga go fetoge sepe gotlhelele! O tlaa tswelela o ntse o amogela phenshene le fa o bereka. Phenshene ga e emisiwe fa e setse e simolodisitwe. O e amogela botshelo jwa gago jotlhe.

3. Fa ke tlogela tiro ka go kgaolwa, a ke tlamega go tabola 33% wa phenshene gone foo kgotsa nka ema go fithelela ke a tlhoka fa ke fetsa a ke lebogisiwang tiro ka one?

O fiwa dikgwedi di le tharo fela go tla go tabola madi a phenshene morago ga o tlogela tiro. Fa di wela o lathegela ke tshono eo. Go botlhokwa gore o ikakanye sentle o tseye tshwetso nako e le teng gore o sekwa tloga wa ikotlhaya nako e setse e fetile.

4. Fa nka tsena mo bogoding mo nakong e, a ke tlaa boelwa ke ditatlhegelo tsa dipeeletso tse di setseng di begilwe?

Nnyaa. Fa o simolola go ja phenshene, madi a gago a fudusiba go tswa mo letloleng la ba ba santseng ba bereka a isiwa mo go la bagodi. Madi a bogodi ga a tsenngwe merokotso, ba fiwa dikoketsa tsa phenshene fa go kgonagetse.

5. Fa e le gore ga ke ise ke tsene mo dingwageng tsa bogodi, a nka adima madi a me a phenshene?

Ga go kgonagale. Molao wa ga goromentse o kganelia tiriso ya madi a phenshene mo go sepe fela se se sa amaneng le go e amogedisiwa. Le gone go e dirisa go sireletsa dikoloto tsa dibanka ga go letlelelwae.

6. A nka tsaya madi otlhe a me a phenshene fa ke tlogela tiro?

O letlelesega fela fa e le gore madi a o a kgobokantseng otlhe a wela ka fa tlase ga P10,000, Ba ba tsenang mo bogoding ba ka a tsaya otlhe fela fa e le gore phenshene e ba tlaa e amogelang kgwedi le kgwedi fa e sobokanngwa yothle mo ngwageng e wela ka fa tlase ga P5,000. Fa madi a feta foo, ga go letlelesega.

7. Fa ke tlogetse tiro, a nka tswelela ke ikgobokanyetsa ke le nosi?

Ka maswabi ga go kgonagale ka gore DPF ke letlole la babereki ba

Debswana le dikompona tsa lesika la yone fela. Le fa go ntse jalo, madi a o setseng o a kgobokantse a tlaa tswelela a godisiwa ka merokotso ya dipeeletso go fithelela o tsena mo bogoding.

8. Ke eng e re fa re amogedisiwa phenshene re bo re kgethisiva? A ga re a duela Lekgetho re santse re bereka?

Gakologelwa gore e rile o santse o bereka, Lekgetho la gago le ne le ntshiwa mo dituelong tsa gago morago ga go sena go ntshiwa koleke ya gago ya phenshene. Se se raya gore phenshene ya gago e tlisitwe mo DPF e sa kgethisiva, ke gone ka moo o tshwanelang ke go kgetha. Le gale fela jaaka go dirwa mo babereking, phenshene le yone e kgethelwa fela fa e le kwa godimo ga P2500.

9. Ke eng madi a maloko a sa beelediwe fela mo Botswana e seng kwa ntle ga lefatshe go tila ditatlhegelo tse di bakwang ke mathata a mafatshe a sele?

Mathata a kgora go tlhaga gongwe le gongwe, le mo Botswana tota. Ka go nne jalo, go botoka go re madi a phatlaladiwe mo mafelong a a farologaneng gore e tle e re fa bothata bo tlhaga golo gongwe, madi a mangwe a bo a sireletsegile mo mafelong a a sa amegang. Gape dipeeletso di bewa mo mebarakeng e e farologaneng jaaka go reka diabe, dikago, le go baya a mangwe mo matloleng a dibanka.

10. Ke eng DPF e sa fokotse dingwaga tsa bogodi go simolola ka 45?

E ga se tshwetso e e tsewang ke rona mo DPF. Ke tumalano ya gago le mohiri wa gago, mme le gale kgakololo e re ka e go fang ke gore o ele tlhoko gore a e tlaare o le dingwaga di le 45 o bo o setse o kgobokantse phenshene e e ka go tshedisang botshelo jo bo kgotsofatsang, bogolo jang fa e le gore o simolotse go e kokotlegetsatso ga nako.

11. Go diragala eng ka madi a me a phenshene fa nka swa ke santse ke bereka?

Madi otlhe a o a kokotleditseng, le merokotso ya one, a abelwa bajaboswa ba gago ka fa o tlhophileng ka teng. Tlhomamisa gore ngwaga le ngwaga o ntshafatse mokwalo wa gago wa bajaboswa.
